Objective

I am seeking an opportunity in the technology field to apply and expand my knowledge in software development. I am motivated to learn and contribute with my dedication to gain practical experience and grow professionally.

Summary of Qualifications

Junior developer with experience in front-end and back-end development. Proficient in JavaScript, React, React Native, and Java. Hands-on experience with personal and academic projects, with a strong interest in learning and growing professionally.

Professional Experience

Administrative Financial Assistant

Prosaude Cooperative – Aquiraz/CE, Brazil | April 2024 – Present

- Worked with spreadsheets and financial reports, enhancing skills in tools like Excel, useful for data manipulation and analysis in software development.
- Collaborated with the team to optimize financial processes, strengthening problem-solving and strategic thinking abilities.

Receptionist

Manhattan Beach Riviera – Aquiraz/CE, Brazil | October 2019 – March 2022

- Developed communication skills by interacting with residents and visitors, improving clarity in information sharing
- Managed multiple tasks simultaneously, such as scheduling and customer service, developing excellent organizational and attention-to-detail skills.

Technical Skills

- **Programming Languages:** JavaScript, TypeScript, Java
- **Front-End Development:** React, React Native, Bootstrap, Tailwind CSS
- **Back-End Development:** Node.js, Java
- **Databases:** MySQL, PostgreSQL
- **Controle de Versão:** Git, Github

- **Development Tools:** Visual Studio Code (VS Code), IntelliJ IDEA
- **Operating Systems:** Windows, Linux

Education

Course: Systems Analysis and Development

Institution: Estácio Fortaleza, CE, Brazil

Status: In Progress (3rd semester)

Expected Graduation: 2026

Personal Projects

- **Personal Portfolio:** Created a personal portfolio website using React to display my projects and skills. Focused on delivering a clean, responsive interface and leveraging React components to ensure modularity, scalability, and ease of maintenance.
- **Interactive Dashboard:** Built an interactive data dashboard using React and JavaScript, implementing dynamic charts and reusable components to monitor key metrics.
- **Inventory and Purchase Management App (in development):** Developing an inventory and purchase management app, utilizing React Native for the front-end and Java for the back-end, to provide efficient inventory tracking and seamless user experience.

Certifications

- **Full Stack Certification:** Digital College, 05/2024
- **Complete Programming Logic:** Treina Web, 03/2023
- **Node.js Course:** Treina Web, 01/2024
- **JavaScript Course:** Treina Web, 12/2023
- **Git Course:** Treina Web, 06/2023
- **Object-Oriented Logic:** Treina Web, 03/2024

Languages

- **Portuguese:** Native
